ADAM 1: RESULTS

ADAM 2: RESULTS

ADAM I

HEAD
of the
Human
Family

Every person on this Earth, or that has ever been on this Earth, or that will ever be on this Earth--is a direct descendant of Adam.

When God made Adam, He started the human race. Also, we all have another connection with Adam, the head of the human family... sin. When Adam disobeyed God and sinned, he caused contamination of his nature.

Not only his nature, but the nature of the human race which came through him. Adam and his extended family have a sin nature by birth. We all are born sinners and have naturally inherited a sin nature. The proof that our nature is sinful is evidenced **first** by the fact that we do not have to be taught to sin. It is natural to our nature. **Secondly**, the result of sin is death. *Death* separates us from life on Earth, and *eternal death* separates from God and Heaven forever. It is sin that separates mankind from a holy God and there is nothing that sinful man can do about it. **But God can!**

ADAM 2

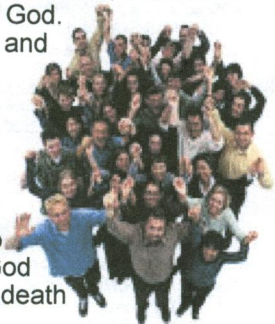

HEAD of the Spiritual Family

And God did! Since sin came by Adam 1, we need a new "Adam". We need a new birth that will put us into a new family under a new family head without sin. We need a second Adam. We need out of the headship of the first Adam and to be put under the second Adam. That would make us "new creatures", by a new birth, into a new

family. This would be a work of God.

That is exactly what God did in and through His Son, Jesus Christ.

This is why Jesus had to be born a human. **This is why** He had to be virgin-born. **This is why** His Father had to be God, no sin contamination. **That is why** His death was sufficient to pay for our sins. **This is why** God raised Him from the grave. His death was our payment for our sins.

His resurrection gave us His righteousness. Because God is holy and, therefore, without sin, we must have a nature without sin if we are to be in His presence for eternity. In Adam 1, there could not be holiness --no righteousness--because of the sin nature in Adam 1. But in Adam 2, Jesus Christ took our sin to the Cross and then to the grave, and replaced it with His righteousness in His resurrection. In Adam 2, we can be in God's presence for all eternity. Our sin is paid for and removed from God's records and the righteousness of God's Son has totally replaced it.

This is "good news". However, this news must be acted upon **individually**. Those that act are called "believers" because they acted in belief of God's Word. No one can make this decision for you. It is up to you to face God in **Adam 1--in sin**, or in **the righteousness of Adam 2**.

See the last panel of this short message for the key Bible verses that will clearly explain the details.

What an accomplishment by your personal decision to change families. Did you read and act on God's offer found on the final panel? If not, seriously consider the promises of God directly from the Bible. It is your personal decision to accept Christ as your Savior and you'll be a member of His spiritual family.

While we are in this life, we are still in the Adam 1 body. Therefore, we will struggle having the old nature and the new nature. As we daily choose which nature will guide our lives, we honor God and show our love to our Heavenly Father by choosing to live under Adam 2.

Welcome to the family.
